

Davidson County Nursing Homes

Nursing homes provide up to 24 hour nursing care in addition to assistance with personal care needs (bathing, dressing, eating). The care provided may be long-term care for chronic conditions or short-term rehabilitative services for people who have been hospitalized. Nursing Facilities must be licensed in accordance with North Carolina state law by the North Carolina Division of Health Service Regulation. In addition, Nursing Homes that wish to receive Medicare and Medicaid reimbursement must be certified in accordance with federal law. Nursing Homes that are Medicare and Medicaid certified receive annual licensure inspections by the Division of Health Service Regulation.

Information about Long-Term Care Facilities in Region G is provided courtesy of
Piedmont Triad Regional Council Area Agency on Aging
Regional Long-Term Care Ombudsman Program

Long-Term Care Ombudsmen are advocates for residents of nursing homes, assisted living facilities, and family care homes. They work to resolve problems of individual residents and to bring about changes at the local, state, and national levels to improve care. Regional Ombudsmen, with the assistance of trained volunteers, regularly visit long-term care facilities, monitor conditions and care, and provide a voice for those unable to speak for themselves.

To contact your local Ombudsman, call (336) 294-4950.
